AWARD

The William A. Jump Memorial Foundation Award is presented in recognition of outstanding service in public administration. It was established in 1950 in honor of the late William A. Jump, Budget and Finance Officer of the U.S. Department of Agriculture, recognized throughout the Federal Government and nationally, for his leadership and distinguished contributions to effective public administration. It is supported through private contributions.

The public recognition provided by the Award is intended to serve as an encouragement to young people to promote interest, growth, development and high level performance of work in public administration.

The Award includes a golden key and a certificate of merit. The Foundation will also grant a special certificate to all other nominees for the Award who meet the qualifications prescribed by the Jump Award Selection Committee.
