FOOTNOTES

Note: Includes the collections of the Bureau of Land Management and its two predecessor organizations: the General Land Office (1785-1946) and the Grazing Service (1934-1946). For annual data for 1881-1946, see *General Land Office Statistical Appendix* for 1946. For annual data for 1947-1961, see *BLM Statistical Appendix* for 1961. For annual data for 1962-1970, see *BLM Public Land Statistics* for 1970.

/a/ As of June 30 through 1976; thereafter, as of September 30.

/b/ Act of February 25, 1920 (41 Stat. 437; 20 U.S.C. 181 seq.). Collection and distribution responsibilities for receipts under this act were transferred to the Minerals Management Service (MMS) as of October 1, 1983. BLM has continued to collect oil and gas pipeline rights-of-way rents; rents, bonuses, and royalties from Bankhead-Jones Land Utilization Project (LU) lands and National Petroleum and Naval Oil Shale Petroleum Reserve lands; and royalties from South Half of Red River, Oklahoma. Other mineral and oil and gas receipts are collected and reported by MMS. This column includes outer continental shelf leases prior to their transfer to MMS, which was effective May 10, 1982.

/c/ Before 1880, includes all receipts from sale or lease of public lands and resources. After 1880, includes sales of Indian lands as well as revenues from grazing, rent of land, and other miscellaneous sources.

/d/ Mining Law Holding Fees and Service Charges receipts for Fiscal Years 1995 and 1996 are revised on this table to report updated collection amounts for those years.

/e/ Naval Oil Shale Petroleum Reserve (NOSR) receipts under the Mineral Leasing Act (30 U.S.C. 181 et seq) are being included in BLM collections beginning this year. BLM is authorized to keep these receipts under the 1998 National Defense Authorization Act and to seek appropriation of these funds for environmental restoration of the NOSR 1 and 3 properties, which were transferred to BLM in 1998.
