Subject: FY 99 Projects/Services Report

Attached for your information and review is a copy of the National Applied Resource Sciences Center (NARSC) project/services report for the beginning of FY 99. This report lists all the NARSC projects that have been scheduled to be initiated or continued as of November 1998. A second report will be provided during April of this fiscal year. There are a number of projects that are currently being developed as a result of the FY 99 AWP. These projects have not been included in this report but will be included in the April report.

Please contact me, or one of the NARSC workflow coordinators identified below, with any concerns or questions you may have regarding the projects/services within your area of jurisdiction. Also, if you have any additional needs for assistance, please feel free to contact me or any of my staff. We will do our best to help you.

<u>NARSC Workflow Coordinator</u>	<u>Phone No.</u>	<u>Contacts</u>
Mike Kirby	(303-236-6491)	Washington Office and Eastern States
