Information Bulletin No. RS-2000-144

To: All State Directors  
Attention: Public Rooms and Cadastral Survey Chiefs

From: Director, National Applied Resource Sciences Center

Subject: Micrographics Services

The purpose of this bulletin is to inform the States that Micrographics is still open and continues to provide microfiche and roll film duplication services to accommodate the needs of the Field Offices and the public.

The original master film for the survey records of the 13 Western States (approximately 325,000 masters) are stored in a secured, temperature and climate controlled environment. Duplicates are available upon request. Orders can be faxed to (303)236-8867.

If you have any questions or further comments, please contact Louise Ecoff, Acting Information and Communications Group Supervisor, at (303) 236-6547 or Nathan Matthews, Micrographics Technician, at (303) 236-0591.
