Subject: Change in Mileage Rates for Privately Owned Vehicles/New CONUS Rates

The General Services Administration has advised us they will increase the mileage rate for use of privately owned vehicles (POVs) from .31 cents per mile to 32.5 cents per mile on January 1, 2000. This change will be effective for all travel performed on or after January 1, 2000, where the use of a POV is advantageous to the Government.

The new per diem rates effective January 1, 2000, are available at our web site: <http://nbcweb.blm.gov/bc630/webs/bc630.html>. Please note that the new Continental United States (CONUS) rate has been raised from \$50.00 to \$55.00 for lodging.

If there are any questions on this subject, please contact Vickie Smith, at the National Business Center, on (303) 236-6276.
