Subject: 2000 Combined Federal Campaign

It is the National Human Resources Management Center's pleasure to coordinate the 2000 Combined Federal Campaign on behalf of all Bureau of Land Management employees located at the Denver Federal Center and co-located at the National Park Service. The mission of the Combined Federal Campaign (CFC) is to support and promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all. The theme for this year's campaign is "Dreams, Hopes and Promises."

The coordinating team led by Melissa Dukes, chair; Frank Andrews, vice-chair (and chair of the 2001 CFC); Jim Blancett; and Nathan Matthews, have a number of exciting events scheduled over the new few weeks. These include the annual CFC kickoff and the return of the "White Elephant Auction." The schedule for this year's campaign is:

Thursday, September 7 **Citywide Campaign Kickoff Fair** at the Denver Federal Center's Centennial Park, located in front of Building 40. More than 170 charities will be participating in the fair, with informational brochures and giveaways. Also featured at the fair will be the "Fiddling Forester" Bluegrass Band from the U.S. Forest Service. \$3.00 lunches from the CFC grill, and free ice cream!

Monday, September 18 **Local Campaign Kickoff Week** with information and balloons.

Thursday, October 5 **White Elephant Auction** for all CFC contributors.

Monday, October 9 **Denver Feds Make a Difference Day!**

Tuesday, October 10 **Final day of the campaign.**

Thursday, December 7 **Campaign Victory Luncheon.**

You can accomplish so much with your CFC gift. A few minutes of your time can mean meals for hungry children, further work on cures for diseases, comfort for the dying, and access to water in the Third World.
