Subject: Informational Meeting Between Field Managers and North Paiute Tribal Chairs
June 7, 2000 DD: 5/28/2000

I am requesting your attendance at an informational meeting with Northern Paiute Tribal Chairs and BLM Field Managers who routinely coordinate with Northern Paiute Tribal Governments. I believe the key to improving our government-to-government relationships with the Northern Paiute is honest and open dialog. Together we can develop a good foundation for improving communication by presenting and discussing the various issues that concern both the BLM and the Northern Paiute Tribes.

Norman Harry, Chairman of the Pyramid Lake Paiute Tribe, has proposed that a meeting be held on Wednesday, June 7, 2000 at the Nevada State Office. The meeting will begin at 10:00 a.m. and end about 4:30 p.m.. Cynthia Ellis, Nevada State Office Native American Program Manager, will be developing an agenda of topics to be discussed. The agenda will be distributed to you before the June 7 meeting. To allow for open discussion between the Field Managers and Tribal Chairs, I have requested that Tribal Chairs attend and that they bring no more than one additional representative. If you are unable to attend, I ask that you send your Associate Field Manager.

Please contact Cynthia by May 28, 2000, confirming your participation. If you are unable to attend, please let her know who will be attending. She may be reached at (775) 861-6469.
