Subject: Off-Highway Vehicle (OHV) Listening Meetings Power Point and Mailer

Attached is your copy of the OHV power point presentation on disk to be used at your Listening Meetings. Also, a hard copy of the presentation is attached showing the presentation text. Please ensure that this disk and script get to the person who will be making the presentation at your meetings.

The OHV mailers are to be handed out at your meeting, as well as sent out to OHV permittees and public land users. Please remember that comments will only be collected through August 31, 2000.

The news release announcing Nevada's meetings went out June 27, 2000. At that time, some offices did not have their meetings finalized. It is recommended that each field office send a local release on the meeting times and locations. .

Please call either Jolynn Worley (775) 861-6515 or Margaret Wolf (775) 861-6628 if you have any questions about the script, power point presentation, mailer, or program.
