

## Information Request Tables for Northern Spotted Owls

Table 1 – Update of FY 2001 and FY 2002 final biological opinions for habitat modification activities on BLM-administered lands.

FWS BO Number	BO Name	BLM District	Original estimate of suitable owl habitat acres removed	Updated estimate of suitable owl habitat acres removed

*COMPLETION INSTRUCTIONS:* For each FY 2001/FY 2002 final biological opinion on habitat modification, enter the FWS BO reference number in column 1, the BO name in column 2, your District name in column 3, the acres of suitable habitat originally estimated to be removed in the BO in your District in column 4 and, in column 5, the updated estimate of acres of suitable habitat to be removed in your District based on your review of actions implemented (egg., timber sales sold and awarded). If there was no change in estimated acres from the original BO, enter "same" for the updated acres in column 5.

Table 2. Summary of 1994-2002 wildfires greater than 100 acres in size on BLM-administered lands where spotted owl habitat was lost.

NAME OF FIRE	YEAR OF FIRE	BLM DISTRICT	Acres of suitable owl habitat lost

*COMPLETION INSTRUCTIONS:* For all fires, greater than 100 acres in size where suitable owl habitat was lost, list the name of the fire in column 1, the year of the fire in column 2, the BLM District where the fire occurred in column 3 and the acres of suitable spotted owl habitat lost in column 4.
